

South Beach Cabin Rental joins Chamber

South Beach Cabin Rental, owned by John and Lawanda Wegner, is one of the most recent new members of the Eufaula Area Chamber of Commerce.

The Wegners established the business two years ago in the Longtown/SH-9 area.

The cabins feature complete kitchens with gas grills and charcoal grills outside. The cabins have screened porches with a swing overlooking the lake.

Other features include indoor and outdoor showers with hot and cold water, umbrellas and chairs on the beach and a fire pit on the beach.

"Our guests can drive their boats onto the beach," said Lawanda Wegner, manager.

The Wegners said the beach access is what makes

their business special and unusual.

Restaurants are also located nearby for those guests who don't want to spend any of their time cooking.

South Beach Cabin Rent-

al also has Direct TV and wireless Internet access.

The facility is handicap accessible and has plug-ins for boats.

The Wegners also treat their guests extra special with homemade "rum" cake.

South Beach Cabin Rental is open seven days a week. For more information, call 918-452-2256, 918-617-1908, or email: lwegner57@yahoo.com.
